

Call for Participation

We invite you to join us in **4th International Conference on Education, AI & Information Technology (EDUAIT 2026)** serves as a leading international forum for presenting innovative ideas, emerging approaches, and cutting edge research at the intersection of education, artificial intelligence, and digital technologies. As AI driven systems, immersive environments, and data centric methodologies continue to transform learning worldwide, EDUAIT 2026 provides a vital platform for researchers, practitioners, technologists, and industry experts to explore these advancements and their impact on modern educational ecosystems.

The conference aims to foster meaningful dialogue and collaboration by highlighting new trends, critical challenges, and forward looking developments that require deeper attention within Education research and Information Technology. EDUAIT 2026 encourages contributions that push boundaries, introduce novel solutions, and illuminate the future of intelligent, inclusive, and technology enhanced learning.

Authors are invited to submit original, unpublished work including research papers, experimental studies, project reports, survey articles, and industrial case studies that demonstrate significant advances across the conference's thematic tracks.

Highlights of EDUAIT 2026 includes:

- 17th International Conference on Internet Engineering & Web Services (InWES 2026)
- 10th International Conference on Networks and Security (NSEC 2026)
- 13th International Conference on Signal Processing (CSIP 2026)
- 3rd International Conference on NLP, Artificial Intelligence, Machine Learning and Applications (NLAIM 2026)
- 6th International Conference on Advances in Computing & Information Technologies (CACIT 2026)
- 7th International Conference on Big Data, Machine Learning and IoT (BMLI 2026)
